

The Eastern Water and Wastewater Network met on Tuesday, June 10th, 2025. The meeting was hosted by Perquimans County at the Perquimans County Emergency Services Building 159 Creek Dr. Hertford, NC 27944.

22 members were present.

Nick Lolies gave a welcome
Roy Alons called the meeting to order.

Program was George Crawford from ProCom. George spoke about LMI chemical feed pumps. Ingersoll Rand owns LMI

He explained the advantages the pumps gave from being fully enclosed and not having any rotating gears or motor. Additionally these have a low power consumption and easy maintenance

Other pumps include the various chemical, peristaltic, and mechanically actuated diaphragm.

Introductions were given.

- Motion was made by Nathan Wiles to dispense the reading of the May, 6th 2025 minutes, from Ahoskie.
- 2Nd was given by Jon Long.
- Motion carried.

Old Business

Still updating the website

Buck Pittman went to the NCRWA conference as a EWWN representative. As a result there are perhaps three potentials for new memberships.

New Business

Dues are payable again starting July 1

Questions continue for how to use the dues.

Backhoe rodeo event committee needs to start coordinating

Supplies are still in Bell Arthur and need to be moved to Tarboro
Hawkins will sponsor trophies
Rodeo is schedule for Thursday, October 23rd

Open Discussion

NCRWA will provide a Pfas and contaminant training in Windsor on June 11th
This will be worth 3 credit hours for both water and wastewater.

A continuing education class will be coming up in Edenton.

The NCRWA Leadership summit will be in Beaufort again this year. Sign up is available on the NCRWA website.
